Margins365 — Privacy Policy
Version 20.1 · Effective date: 11 November 2026 · Approved (v20.1 adds optional, consent-based analytics; it is published in the release that turns analytics on)

This policy explains how Margins365 uses personal data, under the UK GDPR, the Data Protection Act 2018 and, where it applies, the EU GDPR.

1. Who we are and how to contact us

Margins365 ("we"). We are the controller for the personal data described in section 3. For privacy questions or to use your rights, write to Margins365@gmail.com or use the Contact us form at margins365.com/help. You do not need an account to contact us.

2. Our two roles

• Controller: for your account, team, billing, support and security data.
• Processor: for personal data inside the shop files you upload. You (our business customer) are the controller of that data and our Data Processing Agreement applies.

3. What we collect and why

Data	Examples	Why	Legal basis
Account and sign-in	Email, password hash or Google ID and verified email, sign-in times	Create and secure your account	Contract
Business profile (Info)	Your name, business name, country, home currency, time zone; optional phone, business address, VAT number, website	Run the account, show your business name, apply the right tax and currency settings, contact you about the account	Contract; optional fields: legitimate interests (you choose to give them)
Team	Names and emails of people the owner invites, role, invite status	Give team members access	Contract with the owner; legitimate interests for invitees
Subscription and billing	Plan, trial dates, founding place, payment status, invoice and refund references (from Stripe/Link)	Provide the plan, the founding offer and billing records	Contract; legal obligation for tax
Cancellation reason	The optional reason and comment you give when cancelling	Understand why customers leave and improve the product	

Legitimate interests	Contact form	Name, phone number, business name, email, country, message	Answer your message and send you a copy
Legitimate interests (answering you); contract where it concerns your account	Legal acceptance	Which Terms version you accepted and when	Show what was agreed
Contract; legal obligation	Security and technical	IP address, browser, session cookie, Cloudflare __cf_bm security cookie, error logs without file contents	Keep the service secure and working
Legitimate interests	Website analytics (only if you click "Accept analytics")	Pages viewed on our public site, the referring site, country, device type, browser and operating system, and a few actions (for example "calculator used"). Your IP address and browser details are used only to make a daily-changing anonymous count and are not stored. Nothing you type into calculators or forms is sent	See which pages help people and improve the site
Consent (withdraw at any time in Cookie settings)	Your analytics choice	Accepted or rejected, the Cookie notice version and the date, stored in your browser	Remember your choice so we respect it
Legitimate interests (we need it to honour			

your choice)
Shop data. Your uploads contain orders, products, amounts, fees, refunds and buyer country/region. Buyer names, emails, phone numbers, addresses and similar details are removed at import and never stored. Original files are deleted as soon as an import finishes, fails or is cancelled (abandoned imports after 1 hour). Please do not upload special category data or card details.
We do not sell personal data, show adverts, use advertising or cross-site tracking cookies, or send marketing emails. We use privacy-friendly analytics only if you agree (section 7). We do not make decisions about you based solely on automated processing that have legal or similarly significant effects.
4. Who receives data
Recipient What for Where
DigitalOcean Hosting the app, database and backups London, UK
Cloudflare, Inc.
Content delivery, reverse proxy and site security (the essential __cf_bm cookie)
Global
Amazon Web Services (Amazon SES)
Sending account emails, invites, reminders, contact-form notifications and copies
Stockholm, EU (eu-north-1)
Stripe / Link (Sold through Link, LLC)
Checkout, payments, receipts, invoices, fraud prevention, tax; acts as merchant of record and as an independent controller for payment data
UK/EU and the United States
Plausible Analytics (Plausible Insights OÜ)
Website analytics, only if you accept; no cookies, no stored IP addresses
EU only (Germany and Finland)
Google
“Continue with Google” sign-in (independent controller for your Google account); the Margins365@gmail.com mailbox that receives contact-form messages
Global, including the United States
We may also share data with professional advisers or authorities where the law requires. Full processor list: our DPA & subprocessors page.
International transfers. Where data goes outside the UK or EEA (for example to the United States), we rely on adequacy regulations (including the UK–US data bridge and EU–US Data Privacy Framework where the recipient is certified) or the UK International Data Transfer Addendum / EU Standard Contractual Clauses in the provider's data processing terms.
5. How long we keep data
Data Kept until
Product and shop data
Your access ends (trial or paid period end after cancelling, final failed payment or a first-payment refund); backups within 7 days
Data Kept until
Account, profile, team and invites
Account closure (invites: 30 days after they expire or are used)
Cancellation reason
Linked to your account until access ends, then kept only without any link to you
Contact-form messages 12 months after we receive them
Founding place Account closure; we keep only a count with no personal data

Invoices, payments and
tax records
6 years from the end of the financial year they relate to, as UK tax law
requires
Security logs 30 days
Website analytics
statistics
Aggregate statistics that can't identify you, deleted after 24 months
Your analytics choice 12 months in your browser, or until the Cookie notice changes
When the owner cancels, the account is closed and the login removed when access ends. A later sign-up is a new, empty account.

6. Your rights

You can ask to access, correct, delete, restrict or move your data, and object to processing based on legitimate interests. Download my data (CSV) is in the app while your account is active. We reply within one month (extendable by two months for complex requests, with notice). Deletion has limits where we must keep records by law. If your data is in a customer's shop files, we will pass your request to that customer and help them answer it.

You can complain to the Information Commissioner's Office (ico.org.uk/make-a-complaint) or, in the EU, your local data protection authority. We would like the chance to help first.

7. Cookies

We use essential cookies and browser storage needed to sign you in and run the app. On our public pages we use Plausible Analytics, which sets no cookies, only if you click "Accept analytics"; rejecting or closing the banner means it never loads, and you can change your choice at any time in Cookie settings. It is never used in the signed-in app. See our Cookie notice.

8. Security

Data is encrypted in transit and at rest, access is limited to people who need it, passwords are hashed, and sign-in and forms are rate-limited. No system is perfectly secure; if a breach affects you we will tell you and the ICO as the law requires.

9. Children

Margins365 is for businesses and is not intended for anyone under 18.

10. Changes

We will post updates here with a new version number and date, and email account owners about significant changes.
