Margins365 — Terms of Service
Version 20 · Effective date: 11 November 2026 · Approved
These terms are the agreement between you and us for the Margins365 service at margins365.com.
1. Who we are
Margins365 (“we”, “us”) provides this service. Contact us through the Contact us form in the Help centre at margins365.com/help or at Margins365@gmail.com.
2. Who can use Margins365
Margins365 is for businesses and sole traders who sell online. By creating an account you confirm you are at least 18 and use the service for your business. If you accept these terms for a company or other organisation, you confirm you can bind it. If the law treats you as a consumer, you keep the rights that law gives you; nothing in these terms takes them away.
3. What the service does
Margins365 analyses the sales reports you upload (Shopify, Amazon and Etsy files) and the costs you enter. It shows true profit, a Margin Health Score, product verdicts, ranked margin leaks with their monthly cost, and calculators. TikTok Shop UK (Beta): Excel import coming soon. We never connect to your store. Sample data is labelled and is for illustration only.
Results depend on the files and costs you provide. Estimates are labelled. Margins365 is decision-support information, not accounting, tax, legal or financial advice, and does not guarantee any result.
4. Plans, prices and the founding offer
Plan Monthly Annual
Unique orders per billing month
Shops Seats
Starter £39 £390 500 1 1
Growth £79 £790 2,000 1 1
Pro £129 £1,290 5,000 1 2
Scale £199 £1,990 15,000 Up to 3 5
All prices include VAT. An annual plan costs ten monthly payments for twelve months; order limits still reset every month. The order limit is shared across all shops in the account. If an upload would take you over your limit, it is not imported and your existing results stay available; you can upgrade.
Founding offer. The first 100 paying customers get 50% off their first 6 monthly payments: Starter £19.50, Growth £39.50, Pro £64.50, Scale £99.50 a month including VAT. From the 7th monthly payment the normal price applies. On an annual plan the founding offer is 25% off the first year (£292.50, £592.50, £967.50 or £1,492.50), then the normal annual price. A place is held when your trial starts and becomes yours when your first payment succeeds. It is released if you cancel the trial, your first payment fails or is refunded. One place per account; it cannot be transferred or used again after the account closes. If you change plan during the 6 months, the 50% applies to the new plan until the 6 payments are used. We show the real number of places left and email you 14 days before the normal price starts.
5. Free trial and payment
Every plan starts with a 14-day free trial of the plan you choose, with that plan's features and order limit. You add a payment card at checkout; you pay nothing today. Unless you cancel before the trial ends, we charge your chosen plan's price (or the founding price) automatically on day 15, then every month or year until you cancel. We email you a reminder before the first charge. One trial per account. You may change plan during the trial; the trial end date stays the same.
Payments are processed by Stripe through Link (“Sold through Link”), which acts as merchant of record, sends receipts and invoices and may appear on your statement as LINK.COM*. If a payment fails we retry for up to 14 days and you keep access; if it finally fails, access ends and your data is deleted (section 8).
Upgrades apply at once and are charged pro rata. Downgrades on a paid plan apply at your next renewal; features, shops or seats beyond the lower plan are locked, not deleted, until you upgrade again.
6. Price changes
We may change our prices for future billing periods. We will tell you by email at least 30 days before a change applies to you, and you can cancel before it does. A founding price is not changed during its 6 payments.
7. Your account, team and shops
The person who starts the subscription is the owner. Only the owner can manage billing, change plan, add or remove shops, invite or remove team members and cancel. Team members can use the analysis tools within the plan's seats. Keep sign-in details secure and do not share a login; each person needs their own seat. Do not upload unlawful content, try to access other accounts or disrupt the service.
8. Cancelling, account closure and your data

The owner cancels at any time in Plan & billing with one click (Cancel trial or Cancel subscription). We may ask why you are cancelling; answering is optional and does not affect the cancellation. We do not accept cancellation by email, and cancelling does not need contacting us.

- Cancelling during the trial means you are not charged. You keep access until the trial end.
- Cancelling a paid plan stops the next renewal. You keep access until the end of the period you paid for.
- At that date your account is closed, your login is removed and all your product data is permanently deleted. Backup copies are removed within 7 days. Download your data before then. Signing up again later starts a new, empty account.

We keep only the billing and tax records the law requires (see the Privacy Policy).

9. Refunds

You can ask for a full refund within 14 days of your first successful payment, including when that payment follows a free trial, once per customer. Ask through the Help centre contact form. If we refund your first payment, access ends at once and your data is deleted. Later payments are not refunded in part. This does not affect any legal rights you have. Full details: Refunds & cancellation policy.

10. Your data and ours

You own the data you upload. You give us permission to process it only to provide the service to you. Where your files contain personal data, our Data Processing Agreement applies and forms part of these terms. Do not upload special category data or payment card details. Our Privacy Policy explains how we handle personal data.

We own the Margins365 software, brand and content. You may use the service and its outputs for your own business.

11. Availability and changes to the service

We aim to keep Margins365 available but do not promise it will be uninterrupted. We may improve or change features; we will not remove a core feature of your plan during a paid period without telling you and letting you cancel with a pro-rata refund for the unused time.

12. Suspension and ending the agreement

We may suspend or close an account that seriously or repeatedly breaks these terms, after warning you where reasonable. If we close your account for a reason that is not your fault, we refund unused prepaid fees.

13. Liability

We provide the service with reasonable care and skill. Nothing in these terms limits liability for death or personal injury caused by negligence, fraud, or anything else the law does not allow us to limit. Subject to that, for business customers: we are not liable for loss of profit, revenue, business or data you could have kept by downloading it, or for indirect loss; and our total liability in any 12 months is limited to the fees you paid us in those 12 months. If you are a consumer, we are responsible for foreseeable loss caused by our breach and your legal rights are not affected.

14. Changes to these terms

We may update these terms. For a material change we email account owners at least 30 days before it takes effect and ask you to accept the new version when you next sign in. If you do not agree, you can cancel before it takes effect. Each version shows its number and effective date.

15. Complaints, law and courts

Tell us about any problem through the Help centre contact form. These terms are governed by the law of England and Wales and the courts of England and Wales have jurisdiction. If you are a consumer living elsewhere in the UK or in the EU, you keep the protection of the mandatory laws of your country and may bring claims in your local courts.
